### Surface Management Surety Riders Accepted

On August 31, 2004, this office received a \$13,710 surety bond. Several riders were received by the Bureau of Land Management (BLM) for bond number UTB000143. A rider increases the bond amount from \$13,710 to \$27,700, a rider changes the principal from McFarland & Hullinger to Broken Arrow Inc., a rider covers operations conducted by McFarland & Hullinger, and a rider confirms that the surety bond is held in favor of the BLM and State of Utah Division of Oil, Gas and Mining (UDOGM).

The rider changing the principal from McFarland & Hullinger to Broken Arrow Inc. is not accepted in as much as a power of attorney was not received when the rider was originally submitted. Therefore, the principal of the bond remains as McFarland & Hullinger.

A rider confirming that McFarland & Hullinger is the principal, the amount of the surety bond is \$27,700, and the bond is held in favor of the BLM and State of Utah Division of Oil, Gas and Mining was received by the BLM on September 18, 2013.

It is understood and agreed that the Principal is posting this bond in favor of the United States and the State of Utah Division of Oil, Gas & Mining. The bond riders, excluding the rider that changes the principal, have been examined, found satisfactory, and are accepted effective September 18, 2013.

If you have any questions, please call Opie Abeyta of this office at (801) 539-4123.
